PRESIDENT'S LETTER

"For us Orthodoxy has been a Christian faith which gave us identity when our ancestors as pagans came to these parts and converted to Christianity. At the same time they received their first alphabet and thus passed from pre-history into history. Afterwards, we entered the world of culture not only regarding literacy and alphabet but art, painting, architecture as well. We gave our sincere contribution to the world treasury of what is noble and sublime and that was Orthodoxy. Today when we take a look at our churches and monasteries like Gracanica or Decane, Pecka Patrijarsija, Bogorodica Ljeviska or Studenica and think of how much we could have contributed to humanity if we could have committed ourselves to this noble work, but then we endured slavery and hardships...We need to return to these roots of our identity based on Christianity, our Orthodox faith. "

His Holiness Patriarch Pavle

Exert from an interview published December 27, 1999 in Free Serbia.

There are several points in that quote I wish to underscore:

1. Our religion plays a central role in the preservation of our existence, identity, and culture.
2. Our nation's apogee corresponds to the time when faith and support for church was at its highest level.
3. Our churches and monasteries are permanent testimony to our nation's existence.
4. Our roots are based on our Christianity and we need to make every effort to return to our Orthodox faith.

No one would ever question the wisdom and integrity of our late church-leader. Furthermore, I believe that Patriarch Pavle's statement represents the view of the Serbian Orthodox Church Leadership, including the views of our Bishop and Priest. That said, now that we have received a building permit, I believe that we not only share the opportunity to forever seal the presence of the Serbian people in our Nation's

Thank you!

Capital, but also the responsibility to do so. Failure to complete this project will bear on our conscience forever.

As the majority of you already know, a 2010 budget was not approved at the general yearly assembly. The majority of our members did not feel that the current level of support would be adequate for a new mortgage. Therefore, I am appealing to all of you to give your full financial support toward the building of our church and to be as generous as you can. Those who have pledged in the past and were waiting to have the “permit” before fulfilling their commitment, now have the opportunity to do so. Those who have not pledged or who do not significantly support our church can start doing it now. To the limit of their budget, it is hoped that every church member will give between \$4,000 and more yearly for the life of the loan.

With this edition of the newsletter, we will periodically publish the list of donors as it is common practice in other churches and non-for-profit or-

ganization. Although this measure may be unpopular with our people, we believe that it will show how very little the majority of people presently give, and how irrational it is to expect our parish to function at all. We are aware that because of the failure to build a church, or because they no longer feel welcomed, some people have stopped or have decreased their giving. I urge all of those people to start giving again and far more than ever before if at all possible. I also urge everybody to become a member and participate actively to church functions.

I pray and hope that during this holiday season, you will find gratification in giving around yourselves, and especially to your church.

I wish you a Merry Christmas and a Happy New Year .

FATHER'S ADDRESS

Dear Brothers and Sisters in Christ:

I greet you this Christmas with the most unforgettable words that offer hope to so many throughout the world: "Divine Peace! Christ is Born!", "Mir Bozji! Hristos se Rodi"! These words are not only inspirational, offering hope to the hopeless for something better in the world, but is the fulfillment of God's promise to mankind. By sending His Word into the world in the form of a living breathing man, born of the Holy Spirit and a young virgin, He reasserted to all mankind of that time and in future generations that His reign is not the subject of some historical study or nostalgia, but is living and active in the world. His name reinforces this promise, for it means "God With Us". Knowing that God is always with us, on the one hand offers us a hope that is never extinguished, and on the other hand keeps us on the straight and narrow, by coming to the knowledge of the truth, and being bound by it, through His holy church. Knowledge of God does not

allow us to stray from His instruction in favor of our own designs and imaginations, but rather strengthens our resolve to proclaim Him, even under difficult circumstances. By being faithful to His truth, we know we shall not be led astray, but according to His promise, we shall be led to the Kingdom of God.

"For God did not send His Son into the world to condemn the world, but that the world through Him might be saved" (John 3:17)

"He who does the truth comes to the light, that his deeds may be clearly seen, that they have been done in God" (John 3:21)

Dear brothers and sisters, let us live by these and other truths of our Lord, as they are surely the way to life unashamed before God. Then when we say, "Christ is Born" or "Hristos se Rodi", we know that through Him, we are reborn to live within that Divine Peace. May your feasts be filled with all of God's blessings.

Father Aleksa

CALL FOR HELP TO THE SERBIAN ORTHODOX DIOCESE OF RAS-PRIZREN AND KOSOVO-METOHIIJA

Source: Diocese of Ras-Prizren and Kosovo-Metohija

The Diocese of Ras-Prizren and Kosovo-Metohija is forced to turn to the Serbian people in Serbia and Serbian diaspora to ask for help.

Years of living and working under existing conditions have left the Diocese drained of resources necessary for achieving its basic goals.

Assistance sent to the Diocese in the past was sufficient to meet the many needs of the Serbian people in Kosovo and Metohija and to comfort and encourage the Diocese in the performance of its Mission in spite of the enslavement, persecution and having to face daily instances of eradication of all things Serbian.

Recently, however, the situation has seriously deteriorated, while the diocesan economic strength and its ability to respond to the constantly growing needs under increasingly complex conditions is becoming weaker day by day.

The problems with which the Diocese of Ras-Prizren and Kosovo-Metohija has to deal with on a daily basis are in many ways unique. They require undertaking specific measures, assistance of experts in various areas and formation of organizations which must be able to react appropriately to ever multiplying and unexpected challenges in increasingly difficult conditions.

We have not forgotten the assistance rendered by the Serbian Government in past years.

Today, however, all that has become totally

inadequate and quite insufficient to cover effectively the needs of the Diocese in the performance of its basic activities.

For this reason, the Diocese of Ras-Prizren and Kosovo-Metohija finds itself obliged to turn to the Serbian people in Serbia and in the Diaspora and ask them for help hoping that, within the limits of their ability, which is greatly curtailed by the present financial crisis, they will make an extra effort and help the Diocese to discharge its obligations more fully and more extensively.

Personal assistance can be sent to the account at the Komercijalna banka. Further information may be obtained by using the following internet address: <http://www.eparhija-prizren.com/pomoc/>.

Alternatively, you may send your check addressed to Dr. Ivan Aksentijevich at 8629 Chateau drive, Potomac MD 20854, C/O St Luke Serbian Orthodox Church, before January 10th. The checks will be cashed for a certified bank check that will be brought to Serbia where it will be deposited in the designated bank account. Carrying the money personally will avoid having to pay unnecessary bank transaction charges. A list of all donors with amount given, as well as proof of bank deposit will be scanned and posted on our web site upon return from Serbia in late January. All donations are tax-deductible and a receipt for tax-purpose will be provided.

COFFEE HOUR

We have had so many people preparing coffee hour recently, and all of our parishioners are very appreciative of the opportunity to visit with each other and have a delicious snack after Liturgy on Sundays. Thank you to all those who have helped to make our coffee hours such a pleasure. If anyone would like to volunteer for coffee hour, please call Sigi Beck Hodjera at 301-412-0330 to arrange a convenient Sunday.

ST. LUKE CHOIR, CONDUCTOR PREDRAG GOSTA REFINE MUSIC FOR BOZIC & DIVINE LITURGY

Early in December St. Luke's Choir had the pleasure of rehearsing with conductor Predrag Gosta, former assistant conductor of National Philharmonic at Strathmore, Rockville, MD, to refine the choir's techniques and to learn new music for Divine Liturgy and other future performances. Parishioners can expect to enjoy the new music at upcoming Sunday services.

Under Zoran Bucalo's dedicated and enthusiastic direction, we are trying to engage more singers to join, which is quite a difficult undertaking, given the demands of modern day life on people's time. However the saying, "When you sing, you are praying twice as much!" certainly has meaning for our choristers, for we enjoy worshipping through music, the camaraderie of the group, as well as challenges to our vocal talents!

Please consider joining the choir! Rehearsals are infrequent and scheduled *ad hoc* to suite most singers' schedules to achieve high attendance. We all are amateurs, sometimes we sing the wrong notes, we cover up our mistakes as best we can, now and then out of tune due to allergies or the weather, and we have a wonderful time helping to create a worshipful atmosphere for our parishioners.

If you have wondered who are the choir members, please recognize these singers for their contribution of time and talent to our parish.

Sopranos Helena Nedeljkovic, Savka Micich, Miroslava Jovanovic,

REMEMBER OUR CHURCH! PLAN FOR PLEDGES, DONATIONS, MEMORIALS, BEQUESTS

Planning personal and family finances for 2010 takes effort and organization! One must prepare for priorities, contingencies and surprises, too. As you gather up tax forms and documents to meet with your financial advisers, please consider providing for the needs of our parish. **Your in-kind and financial donations ARE tax deductible!**

Firstly, have you paid your 2010 membership dues? To avoid errors in allocating dues to the proper fund, please be sure to note on your check that you are **paying for membership, not making a donation.** Paying dues now really helps our parish finances and results in savings.

Secondly, have you made your stewardship pledge for 2010 and followed through on your 2009 promise? As we are about to accomplish our goal of building our house of worship (an 8-year process!), we rely on you to fulfill your pledge!

Thirdly, do you regularly make special donations to our parish? Occasions are many: in memory of our departed loved ones, to commemorate our families' and church slavass, special charitable gifts at the holidays, and the like.

Finally, have you thought of a bequest for our church in your will as a final gift at the end of your earthly life before going to your eternal home in heaven? Often we are concerned about providing for our children that we sometimes forget that a bequest to our church also helps our children and their offspring, as the church offers guidance and protection to them after we are gone.

Please consider supporting our church to the best of your ability, not only with volunteerism and prayers, but financially, too!

May God bless you for your generosity!

Here is the schedule of membership categories and dues as currently in effect.

\$50 Student, Age 18 w/current student ID

\$50 Individual, Age 65+

\$100 Unmarried Individual

\$150 Married Couple

\$100 Married Couple (1 spouse age 70+)

The Executive Board voted to compile these lists with the idea that each person could make an effort to jump to the next higher level. Apologies to those who gave cash in that it could not be credited to them. Now that we have the Building Permit we need to make a good financial presentation to the Bank when applying for the construction loan.
